

DONATIONS FOR FOSTER KITTENS NEEDED

Did you know that each foster home receives everything their foster will need during their stay from the League? Depending on the species and age, our Foster Coordinator puts together a package they send home with the foster volunteer when they pick-up their animal(s).

Kitten season is March thru September and our kitten supplies are quickly depleted. Please consider donating the following items to help ensure our kittens stay healthy while in their foster home:

KMR Liquid Milk Replacer Supplement - <http://www.petco.com/product/5863/PetAg-KMR-Milk-Replacer-Food-Supplements-for-Kittens-And-Small-Animals-Liquid.aspx?CoreCat=OnSiteSearch>
