<http://www.hopemendinghearts.net/grant-process/>

<http://www.hopemendinghearts.net/grant-application/>

E-Mail: info@hopemendinghearts.net

Program centered on extending financial assistance to pet owners whose pets require immediate veterinary care.

International Association of Assistance Dog Partners

www.iaadp.org

Tel. (541) 972-3647

A non-profit, cross-disability organization whose mission is to provide individuals with comprehensive information about the assistance dog community and to represent people partnered with guide, hearing, and service dogs.

IAADP Veterinary Care Partnership (VCP) Program

<http://www.iaadp.org/iaadp-membership-benefits-vcp.html>

Emergency veterinary care fund to help IAADP Partner Members in the USA when their partnership is threatened by the need for high cost veterinary intervention beyond ability to pay. This VCP Fund is intended for those cases when an assistance dog develops a sudden illness or injury that is treatable but exceeds the financial capacity of the dog owner. The goal is to save a partnership. Please note, this is a GRANT, not an insurance or entitlement program, and ONLY the dog's veterinarian can initiate a request for a grant.

Molly's Hope:

<http://www.mollyshope.org/apply.php>

Tel. (443) 465-3023

Committed to helping keep pets and their owners together by providing monetary assistance for emergency medical care.

The H.O.P.E. (Helping Out Pets Everywhere) Program

The Mosby Foundation

LOW-COST VETERINARY SERVICES FINANCIAL AID & RESOURCES

www.themosbyfoundation.org

E-Mail: info@themosbyfoundation.org

The Mosby Foundation is a non-profit organization specializing in paying medical expenses for sick, abused, and neglected dogs. Many of these dogs have been abandoned with no one to speak on their behalf; others have owners with limited means for providing adequate medical attention for their pets. Completion of an application requesting financial assistance is required. Verification of medical need and medical services is made with the attending veterinary hospital. Each request is reviewed individually to determine the amount of funding the applicant could receive. Payment is made directly to the attending hospital. The Mosby Foundation also offers a spay/neuter fund and humane education for elementary school students.

The Onyx & Breezy Foundation

<http://www.onyxandbreezy.org/requesting-a-grant.html>

Tel. info@onyxandbreezy.org

Provides funding and support to various animal welfare needs; including, pets of individuals where medical hardship exists.

Partners Among Cats & Canines

http://www.pacconline.org/category.php?category_id=29

Tel. (757) 562-0202

Provides financial assistance towards spay/neuter of companion animals.

Paws Care

<https://pawscare.wordpress.com/programs-and-services/>

Tel. (407) 504-7297

Dedicated to helping provide services to care for the pets of those affected by HIV/AIDS, cancer, and other terminal illnesses.

Paws 4 a Cure

<http://www.paws4acure.org/askforhelp.php>

Dedicated to helping families that are in need of non-routine veterinary financial assistance for their dog or cat.

Pet Assistance Inc.

<http://www.petassistanceinc.org/financialaid>

Tel. (860) 355-7387

Offers financial aid to long time pet owners with a record of responsible ownership whose pet requires urgent medical care. Every case requires an official estimate of costs of care from an animal hospital to be considered.

Pet Chance:

<https://petchance.org/>

An online crowd funding concept available to pet owners for purposes of fundraising for medical emergencies.

Pets – DC

<http://www.petsdc.org/>

Tel. (202) 234-7387

Dedicated to improving the health and well being of people living with HIV/AIDS or other disabling conditions and their companion pets. Provides public health education, exercise, pet food, veterinary care, grooming, foster care, and adoptions services, at no cost, to qualifying individuals in the Metropolitan Washington area.

The Pet Fund

www.thepetfund.com

The Pet Fund is a national nonprofit dedicated to funding veterinary care for those who could not afford it. The staff and board members of The Pet Fund work constantly to develop resources for pets and their families to fund critically needed veterinary care, keeping animals out of shelters and helping pet owners to become skilled at preventative care practices. ALL applicants are REQUIRED to contact The Pet Fund by phone BEFORE applying for funding. Call 916-443-6007. The Pet Fund ONLY funds non-basic, non-emergency care.

<http://www.thepetfund.com/for-pet-owners/the-pet-fund-application>

Pitbull Truth

<http://www.pitbulltruth.org/programs/our-veterinary-fund/>

Tel. (916) 243-6860

Grant covers costs of life saving veterinary care for owners who are otherwise unable to pay. Funding is NOT breed specific: dogs of all breeds and mixes are welcomed and encouraged to apply. Pet owners who qualify may request an application via e-mail to be considered.

Red Rover

www.uan.org

Tel. (916) 429-2457

Shelters and cares for animals displaced by natural disasters and other crises, such as criminal seizures and hoarding cases, in the U.S. and Canada and provides financial and emotional support to Good Samaritans, animal rescuers and pet owners to help them care for animals in life-threatening situations and resources to help victims of domestic violence escape abusive environments with their pets.

Additionally, offers extensive list of resources that are breed specific, condition specific, location specific, etc.:

<https://redrover.org/find-financial-assistance-veterinary-care>

Rose's Fund for Animals

LOW-COST VETERINARY SERVICES FINANCIAL AID & RESOURCES

www.rosesfund.org

E-Mail: rosesfund@aol.com

This organization will financially assist, to the best of their ability, pet owners and good samaritans who have an animal with a good prognosis for a healthy life, but are at a financial loss. The pet must have a life-threatening illness, injury or condition that requires immediate medical assistance.

Safe Place for Pets

<http://safeplaceforpets.org>

Online search engine for on-site housing, off-site housing, and community programs for people and pets who need a safe escape from domestic abuse.

The Society for the Prevention of Cruelty to Animals (SPCA) of Northern Virginia

www.spcanova.org

Tel. (703) 799-9390

Provides discounted spay/neuter referrals for dogs and cats in Northern Virginia through Spay Inc. program. No income requirements.

STARelief and Pet Assistance: Home for Life Grant

<http://starelief.org/aid-a-pet-grant/>

Tel. (203) 636-0971

Extends grants to pet owners in need of financial assistance. Please refer to online requirements for consideration.

Vet Fund

<http://vet-fund.org/contact-us/apply/>

<http://vet-fund.org/contact-us/>

A fund focused on granting financial aid to pet owners in the Central Virginia area. Please refer to online requirements for consideration.

Wag!

<https://wagwalking.com/blog/pet-surgery-crowdfunding/>

Offers a network for applicants who have existing pet surgery crowdfunding campaigns for companion dogs in need (e.g., GoFundMe.com; PlumFund.com; PetChance.org; GiveForward.com).

CONDITION-SPECIFIC RESOURCES

The Big Hearts Fund

www.bigheartsfund.org

E-mail: support@bigheartsfund.org

The Big Hearts Fund is a non-profit organization that raises funds and awareness for pets diagnosed with heart disease.

Canine Cancer Awareness

<http://caninecancerawareness.org/>

E-mail: info@caninecancerawareness.org

CCA is a nonprofit organization dedicated to fighting canine cancer. Their mission is to raise awareness of the prevalence of canine cancer, its effects, and available treatment options. When possible, they offer limited financial assistance to help defray veterinary costs of dogs diagnosed with cancer for families who would not otherwise be able to afford treatment.

Diabetic Cats in Need

<http://fdmb-cin.blogspot.com/p/compassionate-assistance-program.html>

E-Mail: Jenna@dcin.info

Internet-based assistance group dedicated to aiding diabetic cats and their caregivers by providing information, resources, and financial assistance.

Feline Veterinary Assistance Program (FVEAP)

www.fveap.org

Provides emergency financial assistance to cat and kitten guardians who are unable to afford veterinary services to save their companion with Vaccine Associated Sarcoma (VAS), also referred to as Injection Site Sarcoma (ISS). [VAS is a group of cancers caused by vaccinations.]

Fetch a Cure: Companions in Crisis Fund

<http://www.fetchacure.org/companions-in-crisis/>

Tel. (804) 525-2193

Cancer-specific veterinary assistance: The Companions in Crisis fund provides financial assistance to families unable to bear the cost of the life-saving treatments for their pets that have been diagnosed with cancer. This program strives to provide pet owners with a sense of hope when facing a cancer diagnosis. The program serves the state of Virginia and pets that have a confirmed diagnosis of cancer. The Felicia Fund provides assistance to residents of Washington D.C.

Land of Pure Gold Foundation

www.landofpuregold.com

Tel. (410) 363-1434

This educational and charitable nonprofit promotes cancer awareness, provides cancer treatment grants for Working Dogs, and funds research in comparative oncology.

Magic Bullet Fund

www.themagicbulletfund.org

Provides financial assistance for those who have a dog diagnosed with cancer but cannot afford treatment fees.

The Perseus Foundation

LOW-COST VETERINARY SERVICES FINANCIAL AID & RESOURCES

<http://www.theperseusfoundation.org>

Tel. (202) 406-0227

Promotes cancer research, provides information and support to pet owners, whose pets are diagnosed with cancer, and offers financial assistance, through the Magic Bullet Fund, for dogs with cancer whose owners need help paying for treatment.

The Riedel & Cody Fund

<http://riedelcody.org/rcf-grant-request-2/>

E-Mail: info@riedelcody.org

A charity that is committed to providing hope, knowledge, and funding for owners of pets diagnosed with cancer. Funding is limited to pets already diagnosed with cancer: no funding is available for surgery expenses or diagnostic procedures. Notably, pet owners must have received a diagnosis and treatment plan from a board-certified oncologist or specialist in integrative veterinary medicine.
