INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Animal Welfare League of Arlington, Inc. Arlington, Virginia

Opinion

We have audited the accompanying financial statements of Animal Welfare League of Arlington, Inc., a not-for-profit organization, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and change in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Animal Welfare League of Arlington, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Animal Welfare League of Arlington and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Animal Welfare League of Arlington's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Animal Welfare League of Arlington's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Animal Welfare League of Arlington's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

The Animal Welfare League of Arlington, Inc. (the League) is a humane society that was organized and incorporated on May 16, 1944, in the Commonwealth of Virginia. The League was formed for the purpose of providing for abandoned animals for the County of Arlington, Virginia (the County). The League provides contractual services to the County for animal control and sheltering and educates the public on animal issues. These activities are funded primarily through Arlington County appropriations and through contributions.

Basis of Accounting

The accompanying financial statements are presented in accordance with the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America applicable to not-for-profit organizations.

Financial Statement Presentation

To ensure the observance of limitations and restrictions placed on the use of resources available to the League, resources for various purposes are classified for accounting purposes into classes established according to their nature and purpose as follows:

<u>Net assets without donor restrictions</u> – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the League's management and the board of directors.

<u>Net assets with donor restrictions</u> - Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the League or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Revenues are reported as increases in net assets without donor restrictions unless their use is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Expirations of donor restrictions on net assets (i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restriction. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or law.

Revenue Recognition

Contributions are considered to be available for use without donor restrictions, unless they are specifically restricted by the donor. Contributions are recognized as income, at their fair value, when they become unconditional promises to give. Contributions of securities and other tangible assets are recorded at fair value at the date of gift. Conditional contributions and promises to give are recorded as revenue when the conditions on which they depend have been substantially met.

Bequests are recorded as income when notification of an irrevocable right to receive such assets exists and when a fair value can reasonably be determined. Bequests and contributions receivable are expected to be received within one year. Wills are recorded as bequest revenue when the probate court declares the wills valid and the proceeds are measurable.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, continued

Revenue Recognition, continued

Shelter and Veterinary Services fee revenues are primarily recognized at the time services are delivered. The performance obligations in these contracts are distinct and revenue is recognized when the performance obligations are satisfied. Customers are charged based on the corresponding standalone prices.

The League enters into various grant and sponsorship agreements. Revenue relating to these agreements is recognized in accordance with the terms and conditions included therein. Grants are evaluated to determine if they represent an exchange transaction or contribution. If determined to be an exchange transaction, the grant is recognized as expenses are incurred.

All donor-restricted revenue is reported as an increase in net assets with restrictions, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without restriction and reported in the statement of activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as net assets without restriction if the restrictions are met in the same period the donation is made.

Revenue from Arlington County appropriations is recognized when earned.

Fair Value of Financial Instruments

Accounting principles generally accepted in the United States established a framework for measuring fair value, clarifying the definition of fair value within that framework and expanding disclosure about fair value measurements. U.S. GAAP established a three-tiered fair value hierarchy with Level 1 representing quoted prices for identical assets or liabilities in an active market, Level 2 representing quoted prices for identical assets or liabilities in an active market that is non-active or with other than directly or indirectly observable inputs, and Level 3 representing estimate values based on unobservable inputs. Related disclosures are segregated for assets and liabilities measured at fair value based on the level used within the hierarchy to determine their fair values.

The carrying amounts for cash and cash equivalents, accounts receivable, inventory, prepaid expenses, accounts payable and accrued expenses approximate fair value because of the short-term maturity of these instruments.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the League considers all bank accounts, cash on hand and petty cash, not held within their investment portfolio, to be cash and cash equivalents.

Inventories

Inventories are stated at cost using primarily the first-in, first-out method. Inventories consist principally of items for resale such as collars, leashes, and pet toys.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, continued

Accounts and Pledges Receivable

Program receivables are recognized when veterinary services are provided. Pledges receivable are recognized when the donor makes a written promise to give to the League that is, in substance, unconditional. The League uses the allowance method for recording bad debt expense. Management periodically reviews the aged receivables and adjusts the allowance to reflect the current estimate of future bad debt expense. The League records a valuation allowance for sponsorship pledges receivable which are intended to benefit future years. The change in valuation allowance is reported as unrestricted support and revenue in the accompanying statement of activities.

Investments

Investments are reflected at fair market value using level 1 valuation methodology and consist of money market accounts held for long-term purposes and mutual funds investing in debt and equity securities. Interest, dividends and realized gains or losses are recorded when earned or sustained. Fluctuations in the market value of the portfolio are recorded as unrealized gains or losses in the accompanying statement of activities. Donated securities are sold upon receipt to establish fair market value.

The League invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of financial position.

Property and Equipment

The League capitalizes property and equipment with a cost of \$1,000 or more. Costs incurred related to future facility renovations are accumulated in property and equipment and not depreciated until the relevant assets are completed and put into operational use. Expenditures for ordinary maintenance and repair items are charged to operations as incurred. Upon sale, or other disposition of property, the cost and the related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in the change in net assets. Depreciation is provided for under the straight-line method over the estimated useful lives of the assets ranging from 3 to 40 years.

Donated Services and Equipment

Contributed property and equipment is recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

Contributions of donated services that create or enhance non-financial assets, or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not donated, are recorded at their estimated fair market value as of the date of the donation. Donated services reflected in the accompanying financial statements include the value of donated veterinary, grooming and photography services used as part of the League's community services program.

The League reported contributed services revenue and related expense for the years ended June 30, 2022 and 2021 of approximately \$13,662 and \$13,788, respectively. Donated materials are reported at fair value at the date of the donation.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, continued

Other Assets

As of June 30, 2021, the League held \$9,586 in virtual currency. This balance is net of \$477 in processing fees from a third-party vendor. Donated virtual currencies are sold upon receipt to establish fair market value and subsequently recognized as contribution revenue. Balances shown on the statement of financial position are a result of timing differences between sale and receipt dates. The League sold the funds as per policy during the current year.

Income Taxes

The League is a non-profit organization exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and classified as other than a private foundation.

Management has evaluated the League's tax positions and concluded that the League has taken no uncertain tax positions that require adjustment to the financial statements. With few exceptions, federal and state information returns for years prior to 2017 are no longer subject to examination by tax authorities.

Recently Adopted Accounting Standards

In September 2020, the FASB issued ASU 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The new standard is effective for annual reporting periods beginning after June 15, 2021. The standard requires separate presentation of contributions of nonfinancial assets (including in-kind contributions) on the statement of activities and changes in net assets, as well as additional disclosures related to how they are valued and used. The League adopted the standard on a retrospective basis for the year ended June 30, 2022. Accordingly, the separate presentation and additional disclosures have also been presented for the year ended June 30, 2021. There was no change in the recognition or measurement of the nonfinancial assets for either year.

On July 1, 2020, the League adopted ASU 2016-2, Leases. Lessees are required to recognize a right-of-use asset and a lease liability, initially measured at the present value of the lease payments, in the Statements of Financial Position for operating leases. Leases are classified as either operating or financing which in turn determines expense recognition. For operating leases, a single lease cost is calculated and allocated over the lease term on a straight-line basis. In July 2018, the FASB provided entities relief from the transition requirements in ASU 2016-02 by allowing them to elect not to recast prior comparative periods. A full retrospective transition approach is not permitted. The League used a modified retrospective approach to adopt the guidance and as such there was no restatement of prior financial statements. As permitted under the transition guidance, the League elected a package of practical expedients which, among other provisions, allowed the League to carry forward historical lease classifications. Short term leases, 12 months or less, are exempt under the guidance and are not capitalized on the Statement of Financial Position. As a result of adoption, the League did not recognize any right of use assets or any operating leases. There was no impact upon the opening net assets as of July 1, 2020. The adoption of ASU 2016-02 did not have a material impact on the Statements of Activities or cash flows for the League.

Additional information and disclosures relating to this accounting change are included within "Note 8 - Leases."

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation. These reclassifications have no effect on change in net assets.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 2 - ACCOUNTS AND PLEDGES RECEIVABLE

Accounts receivable for the years ended June 30, 2022 and 2021 totaled \$802 and \$1,785, respectively and were classified as current for both years.

Pledges receivable for the years ended June 30, 2022 and 2021 totaled \$50,000 and \$-0-, respectively.

There was no bad debt expense for the years ended June 30, 2022 and 2021.

NOTE 3 – INVESTMENTS

Investments are carried at fair value based on quoted prices in active markets (all Level 1 measurements) and consist of the following at June 30:

	<u>2022</u>		<u>2021</u>
Mutual funds\$	6,958,695	\$	8,602,153
Money market funds	197,999	_	312,278

\$ __	(1,694,920) \$	1,756,772

NOTE 4 – AVAILABILITY AND LIQUIDITY OF RESOURCES

The League's financial assets available for general expenditure, that is, without donor restrictions limiting their use, within one year of the statement of financial position, are as follows:

	<u>2022</u>
Cash and cash equivalents\$	91,412
Accounts receivable	802
Pledge receivable	50,000
Investments	5,224,391
Net Financial Assets Available Within One Year \$_	5,366,605

As part of liquidity management, the League has a policy to structure its financial assets to be available for general expenditures, liabilities, and other obligations as they come due. The League invests cash in short-term investments, including money market accounts, stocks, and exchange traded funds so sufficient financial assets are available to cover all of its obligations.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

\$	1,589,487	\$_	1,680,349

NOTE 7 - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of various funds specifically devoted to promoting medical care to animals and educating the public, as follows:

- 1. The AWLA TNR Program covers the cost of spaying, neutering and rabies vaccinations for feral cats in Arlington County and the City of Falls Church.
- 2. The Bob and Pat Ragan Humane Education Fund provides financial support for League staff to visit schools, scout troops, and many other community organizations to provide guidance on pet overpopulation, responsible pet ownership, preparing pets for a new baby, bite prevention, coexisting with urban wildlife and many other important issues affecting animals and people in the Arlington community.
- 3. The Healthy Pet Funds are to be used to provide treatment of medical ailments to make animals adoptable as well as provide enrichment in the form of behavioral training or environmental upgrades. The cost of treatment must be outside of the scope of our normal animal medical and behavioral expenses.
- 4. The Dr. Cottey Low-Cost Spay/Neuter Fund seeks to reduce pet overpopulation by providing low-cost spay and neuter surgery to pets whose owners cannot afford them.
- 5. The Ross Roberts Veterinary Assistance Fund provides small contributions to pet owners in order to assist in payment for veterinary fees.
- 6. The Ross Roberts Kitten Care Fund supports neonatal kitten care training for volunteers and the public. Funds are also used for capital improvements, consultants, equipment and supplies to operate a neonatal kitten nursery.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 7 - NET ASSETS WITH DONOR RESTRICTIONS, continued

- 7. Donor restricted contributions are used to provide access to low-cost veterinary care, behavioral advice, and pet wellness resources. Funds are also used to fulfill the requirements of grants received from Maddie's Fund, Best Friends Animal Society, and Banfield Charities.
- 8. The Jean M. Senior Pet Fund provides funds to be used to reimburse adopters for medical and behavioral treatment for designated animals after they have been adopted for a set period.
- 9. The Gladys Shulaw Cat Fund is to be used to facilitate the adoption of adult cats, spaying and neutering adult cats, supporting the AWLA Community Cats program (TNR), vet assistance to adult cats, and the Paws & Read program for cats.
- 10. The OneHealth Fund is to support the collaborative project of Animal Welfare League of Arlington and the Animal Welfare League of Alexandria to facilitate One Health clinic events providing essential veterinary services for companion animals of under-served communities in Arlington and Alexandria, Virginia and neighboring communities at the organization's discretion. Funds may be used for but are not limited to: staffing, supplies, consumables, equipment, medication, travel and administrative costs.
- 11. Pet Pantry Funds are to be used to keep pets with their families by providing pet care essentials including food, enrichment items, preventatives, and more.
- 12. Wildlife Resource Center Fund: Funds are to be used to provide wildlife education, outreach, and emergency field response for wildlife in Arlington County, Virginia.

NOTE 8 – LEASES

Under a lease signed in January 1997, the County allowed the League to construct, operate, and maintain a building and related structures to be used as an animal control and adoption center on a portion of the County property, rent free, over thirty years. The lease is renewable every 10 years until the expiration of the final lease term in 2027. After the expiration of the final lease term, the League's tenancy on the land will be on a month-to-month basis. The County reserves the right to refuse to recognize such month-to-month tenancy and to seek the League's eviction from the property. Upon termination of the lease agreement, the County shall pay to the League the depreciated base cost of the improvements erected on the property following the start of the lease. The League plans to enter into a new lease agreement with the County upon expiration of the final lease term in 2027. The fair value of the rent attributable to the property cannot be reasonably estimated, and accordingly has not been reflected in the accompanying financial statements. The League must, at its own cost and expense, provide public liability insurance for as long as the agreement remains in effect.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 9 – SPECIAL EVENTS

Special fundraising events are reflected net of costs in the statements of activities. Gross revenues and expenses for the years ended June 30 are as follows:

	<u>2022</u>	<u> 2021</u>
Revenue\$	157,934 \$	137,588
Expenses	(13,350)	(29,174)
Net\$	144,584 \$	108,414

NOTE 10 – EXPENSE ALLOCATION

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the program, general and administrative and fundraising activities based on level of effort. Such allocations are determined by management on an equitable basis.

NOTE 11 - RETIREMENT PLAN

The League participates in a tax-deferred annuity plan under Section 403(b) of the Internal Revenue Code covering all employees who choose to participate after attaining age 21. Under the terms of the Plan, participants may voluntarily elect to have a portion of their compensation deferred and contributed to the Plan. The League contributes 7% of compensation for all eligible employees. Retirement expense for the years ended June 30, 2022 and 2021 totaled \$113,996 and \$108,863, respectively.

NOTE 12 – CONCENTRATION

The League receives significant funding from the County of Arlington to provide animal shelter management and animal control services for the County of Arlington. The League's contract with the County of Arlington is comprised of four annual periods with mutually agreed upon contract amounts in accordance with County Appropriations. The contract expires on June 30, 2022.

Appropriated funds received from the County for the years ended June 30, 2022 and 2021 totaled \$1,454,517 and \$1,445,388, respectively. County Service expenses totaled \$3,037,024 and \$2,731,613 for the years ended June 30, 2022 and 2021, respectively.

Because the League receives significant funding from the County of Arlington for operations, the programs and activities of the League could be materially affected if the level of funding from the County is substantially reduced.

NOTE 13 – PAYCHECK PROTECTION LOAN

On April 22, 2020, the League received loan proceeds in the amount of approximately \$436,325 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after eight weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the eightweek period.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

NOTE 13 - PAYCHECK PROTECTION LOAN, continued

The League applied for forgiveness of the PPP Round 1 Loan during the year ended June 30, 2022, and received full forgiveness of \$436,325 from the SBA in July 2021. Accrued interest calculated through this date was also fully forgiven. The amount of loan forgiveness is separately presented on the current year statement of activities.

On March 17, 2021, the League received a second loan in the amount of approximately \$504,806 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after eight weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the eightweek period.

The League applied for forgiveness of the PPP Round 2 Loan during the year ended June 30, 2022, and received full forgiveness of \$504,806 from the SBA in February 2022. Accrued interest calculated through this date was also fully forgiven. The amount of loan forgiveness is separately presented on the current year statement of activities.

NOTE 14 – SUBSEQUENT EVENTS

In preparing the accompanying financial statements, the League has evaluated events and transactions for potential recognition or disclosure through the report date, February 17, 2023, the date the financial statements were available for issuance and determined that there are no existing subsequent events to disclose.
